### Accepting Applications for our NEW Partner Advisory Council

The Partner Advisory Council (PAC) is comprised of representatives from Agency Partners with the aim of having at least one member from each of the 11 counties supported by the Food Bank of North Alabama. This council serves as a platform for agencies to provide direct feedback, which can contribute to shaping the Food Bank's objectives, programs, services, and strategies. The primary purpose of the council is to promote connections among peers and cultivate a network-oriented approach among the Agency Partners. Additionally, it will enhance transparency between the Food Bank and Agency Partners.

The council will not establish any policies or procedures.
