It's Hunger Summit Season!

We've already kicked off our first Regional Hunger Summit with agency partners from DeKalb, Jackson, and Marshall Counties. It was a meaningful day of discussion and networking as we shared challenges, opportunities, and ways we can strengthen support for our neighbors.

We're excited to host the remaining three summits later this month! If you haven't yet registered for your area, please visit the Hunger Summit page on our website by clicking the link below and sign up today.

Join us as we come together to create solutions and be legendary—together!

Amanda Carter
Director of Agency Relations

We're excited to share two recent promotions within our office! **Graham Roden**, known for his diligence as our CSFP Coordinator, has been promoted to Special Programs Manager, where he will continue making a strong impact through his leadership and dedication.

Here at the Food Bank of North Alabama, we recognize the vital role of our agency partners. To ensure their voice is represented at every level of our organization—and when opportunities arise on a national stage—we're excited to share that **Amanda Carter's** title has been elevated to Director of Agency Relations.

Please join us in congratulating Graham and Amanda on their well-deserved achievements!
